PODS® SOLUTIONS:
Relocation Services

WORLDWIDE ERC®

PODS PROVIDES FLEXIBLE STORAGE AND DELIVERY SOLUTIONS FOR EMPLOYEE RELOCATION.

We facilitate moves in a way that makes relocation processes easier, and are prepared to help when complications arise. PODS can reschedule deliveries, formulate new plans, or connect transferees to trusted service providers.

PODS CORPORATE RELOCATION SERVICES

Enjoy an exceptional experience with concierge service.
A dedicated PODS Business Solutions Specialist provides customized services to fit a wide range of needs, including quotes, scheduling, special requests, budget management, and navigating local regulations.

Take advantage of our extensive moving network.
Transferee moves are flexible and adaptable thanks to our fleet of more than 220,000 containers. Moved goods are more secure inside our storage units, and our damage claim rate is under 2%. That's ten times less than the industry average.

Lump Sums to Executive Moves.
PODS offers solutions for all types of moves, from one container to six. PODS manages the logistics so your transferee has a smooth, low-stress experience.

Secure storage is built in our solutions.
PODS offers customized on-site or off-site storage solutions in our 230+ Storage Centers, including an initial 30 days of storage and the option to extend container rentals as needed. Transferees can also reschedule moves, stagger deliveries, or change locations at any time.

LABOR SERVICES

Do your transferees need help packing or loading?
Through our Partner Network, PODS can offer services from getting their current home packed to moving into their new home. One of our Business Solutions Specialists will help them ease through this process as needed.

AUTO SHIPPING

Spare your transferees and their cars the stress of driving. If transferees find the idea of driving to their new home overwhelming, let PODS help. We can refer you to independent vehicle transport and storage companies** who will recommend professional services available in most areas.
